

TO AILING WOMEN

A Little Sound Advice Will Help Many a Sufferer in Barre.

No woman can be healthy and well if the kidneys are sick. Poisons that pass off in the urine when the kidneys are well are retained in the body when the kidneys are sick. Kidneys and bladder get inflamed and swollen, crowding the delicate female organs nearby and sometimes displacing them. This is the true cause of many bearing-down pains, lameness, backache, headache, etc. Urine poisoning also causes headachy, dizzy spells, languor, nervousness and rheumatic pain.

When suffering so, try Doan's Kidney Pills, the remedy that cures sick kidneys. You will get better as the kidneys get better, and health will return when the kidneys are well. Let a Barre woman tell you about Doan's Kidney Pills. Mrs. Eliza Mitchell of 42 Maple Ave., Barre, Vt., says: "For some time I was annoyed with kidney complaint. There was trouble with the kidney secretions which were irregular and too frequent especially at night when my rest was greatly disturbed. I also had terrible pains just over my hips and these would sometimes extend up through my shoulders. I also had dizzy spells and every cold I caught made me suffer more acutely. My son had used Doan's Kidney Pills with great benefit so I decided to try them. I got a box at E. A. Drown's drug store and had taken but a few doses when I experienced relief, and the use of two boxes improved my condition in every way. The pain in my back lessened, and the secretions were regulated."

GERMS CAUSE DYSENTERY.

IF YOU DON'T KILL THE DISEASE GERMS THEY WILL KILL YOU. PEPSOIDS DRIVE THE GERMS OUT OF THE STOMACH AND REBUILDS IT. WRITE FOR A FULL SIZED BOTTLE—FREE.

A noted physician of Pittsburgh, Pa., in a recent letter to Dr. Oldman says: "In your prescription known as 'Pepsoids' you have given the medical world the greatest and most valuable discovery in medicine of the present century. 'Pepsoids' in hundreds of cases will outlast the skill of the best physicians of recent times, how to cure permanently all Dysentery, Indigestion, Catarrh of the Stomach and Digestive Disorders. I have used your prescription, 'Pepsoids,' in hundreds of cases with outstanding success. I attribute the successful treatment mainly to the fact that the disease

germs of the stomach cannot resist Pepsoids. Your theory that most Stomach Diseases are brought about by multitudes of nefarious disease-breeding germs must be correct, judging from the remarkable results attained from the use of your 'Pepsoids.' I consider 'Pepsoids' the best and most valuable remedy yet discovered for the treatment of stomach and stomach ailments.

Pepsoids cure Dysentery and all Stomach Diseases, in a new way, by repairing the worn-out lining of the stomach and at the same time, destroy all disease-breeding germs. Dysentery and the worst

forms of Stomach Disorders once cured in this way never return.

Pepsoids are sold at drug stores at 50c a bottle on an absolute guarantee or money refunded.

If you have not used Pepsoids before we will send you a 50-cent bottle FREE. Send us your name and address and you will receive promptly, a full sized bottle.

You do not require us to pay a cent. All we ask, after Pepsoids have cured or greatly relieved your stomach troubles, is that you write to your friends, 'Pepsoids today—they're everywhere. The Vio Chemical Co., Chicago, Ill.'"

THE GOOD THINGS OF EARTH

Are Not All Far-Off.

That our American forests abound in plant and root of a cure for the most valuable medicinal and curative virtues, is abundantly attested by scores of the most eminent medical writers and teachers of our age. Even the untamed Indians had, by intuition and experience, discovered the usefulness of many native plants before the advent of the white race on this continent. This information came though it was imparted freely to the frontiers of the white, led the latter to continue investigations until today we have a rich store of the most valuable American medicinal roots and herbs.

It is no longer thought necessary that a medicinal agent, in order to be good and useful, must have been brought across the ocean or that "being carried seven times across the Sahara Desert on the backs of fourteen camels" makes it the more valuable.

Dr. Pierce believes that our American forests abound in most valuable medicinal roots for the cure of most of the obstinate and most fatal diseases. If we would properly investigate them; and, in confirmation of this firm conviction, he points with pride to the almost marvelous cures effected by his "Golden Medical Discovery," which has proven itself to be the most efficient stomach tonic, liver invigorator, heart tonic and regulator, and blood cleanser known to medicine.

Not less marvelous, in the unparalleled cures it is constantly making of woman's many peculiar affections, weaknesses and distressing derangements, is Dr. Pierce's Favorite Prescription, as is amply attested by thousands of unqualified testimonials contributed by grateful patients who have been cured of leucorrhea, painful periods, irregularities, prostrations and other displacements, ulcerations of uterus and kindred affections, often after many other advertised medicines had failed.

Both these world-famed medicines are wholly made up from the glyceric extracts of native medicinal roots, found in our American forests. The processes employed in their manufacture are the original with Dr. Pierce, and they are carried on by skilled chemists and pharmacists with the aid of apparatus and appliances specially designed and built for this purpose. Both medicines are entirely free from alcohol and all other harmful, habit-forming drugs. A full list of their ingredients is printed on each of their wrappers. They are both made of such native medicinal roots as have received the strongest endorsement and praise for their curative virtues from the most prominent writers on *Materia Medica* in this country. What is said of their power to cure the several diseases of which they are the remedy may be easily learned by sending your name and address to Dr. R. V. Pierce, Buffalo, N. Y., for a little booklet which he has compiled containing extracts from numerous standard medical books, which are consulted as authorities by physicians of the several schools of practice, and which are so authoritative that they are FREE TO ALL. A postal card request will bring it.

You don't have to rely solely upon the mere word of a layman or the power of Dr. Pierce's medicines to cure, as with other medicines sold through druggists. You have the distinct testimony of the ingredients of the leading medical writers and teachers. Send for this copious testimony. It can be relied upon to be truthful because it is entirely disinterested.

From the little booklet above mentioned, you will learn what a marvelous curative action Stone root, one of the prominent ingredients of Dr. Pierce's Golden Medical Discovery, exercises over the heart and its diseases, especially those valvular affections which are attended with difficulty.

A good medical book, written in plain English, and free from technical terms, is a valuable work for frequent consultation. Such a work is Dr. Pierce's Common Sense Medical Adviser, in plain English, a book of 1008 pages, profusely illustrated with wood cuts and colored plates. It is given away now, although formerly sold in cloth binding for \$1.50. Send 21 cents, in one-cent stamps, to pay for cost of mailing only for paper-covered copy, addressing Dr. R. V. Pierce, Buffalo, N. Y., or at a bookstore, or an elegantly cloth-bound copy. It gives over 200 prescriptions for the treatment of acute and chronic ailments.
